

SCHOOL UNIFORM POLICY 2025-26

The use of school uniforms has several significant benefits. Uniforms allow students to look like students, develop school spirit, and promote an understanding of school being a special place with special expectations. It also allows students to be seen by others on the basis of their unique personalities and not on the basis of their clothing. All uniform items must be school colors but can be purchased from multiple suppliers (unless otherwise noted).

SCHOOL COLORS (Solid): *Navy, Maroon/Burgundy, Gray (multiple shades), White*
